**IEEE MSST2007
Twenty-Fourth IEEE
Conference on Mass Storage Systems and Technologies
Paradise Point Resort and Spa
San Diego, CA, USA
September 24 – 27, 2007**

IEEE MSST2007, the Twenty-Fourth IEEE Conference on Mass Storage Systems and Technologies, will host a Vendor Expo September 25 - 26, 2007 at the Paradise Point Resort and Spa, San Diego, CA, USA.

To reserve space in the Expo, contact Ben Kobler (ben.kobler@nasa.gov, +1-301-286-5231) to check space availability, receive an exhibit space number, and begin the registration process. Subsequent questions on registration should be directed to Jennifer White at the Summit Performance Group (IEEE@summitpg.com, +1-858-385-2785).

Each basic exhibit space is 8' by 10', but there are also several larger custom sizes available. ([See the Vendor Expo Layout diagram](#)). The fees for exhibit spaces are:

Booths 3, 4, 5, 6, 8, 11, 12, 14	\$800
Booths 1, 10, 15	\$1400
Booths 2, 7, 9, 13	\$2000

Each booth will include:

- 8' high back drape
- 3' high draped side rails
- (1) 7" x 44" ID sign
- (1) 6' draped table
- (2) contour side chairs
- (1) wastebasket

Vendor participants will also need to register at an additional cost of \$600.00 per person. Vendor participants will have the opportunity to briefly introduce themselves to the full conference, will have full access to all conference activities, including paper presentations, refreshments, lunches, receptions, and will receive a copy of the Conference Proceedings. Payments must be received 30 days from the date an exhibit space number is assigned.

GES Exposition Services will handle logistics for setup, and will contact vendors to finalize arrangements. GES will provide a detailed service kit that will advise exhibitors of installation and dismantling hours, show hours, show colors, items provided within the exhibitor's booth space, and shipping instructions. There will be additional costs for electrical, phone, and network connections. Information on cost and reservation procedures for these items will be provided by GES Exposition Services. Additional items that may also be ordered include carpeting, booth furnishings, labor for installation and dismantling, signs, vacuuming, drayage, audio visual equipment, and porter and florist services. Please contact the GES National Service Center at 1-800-475-2098 (reference MSST2007) for any of these items.

Sponsorship opportunities are available for breaks, lunches, the evening reception, WiFi access, and printing of proceedings. Hospitality suites are also available. For additional information about these, contact Ben Kobler (ben.kobler@nasa.gov, +1-301-286-5231)
