<h1 style="text-align:center">DAPS 2008 Agenda</h1>

Digital Archive Preservation and Sustainability
Monday, September 22, 2008
Chair: Ann Kerr

Meeting is Located in Potomac Room

8:30am – 10:00am	**Planning for the "Long Term" . . . in Library Time** **Session Moderator:** Jane Mandelbaum, Library of Congress *Networks for Sustainability and Preservation* **Martha Anderson**, Director, NDIIPP Program, Office of Strategic Initiatives **Jane B. Mandelbaum**, Project Manager for Special Projects, Information Technology Services, Office of Strategic Initiatives • LC presentation of digital preservation requirements and evolution of architectures • Presentations from LC-invited organizations with related scenarios and/or requirements. *Meaning of "Long Term" for Libraries and Other Organizations with Similar Missions and Content* **Peter R. Young**, Director of the National Agriculture Library **Dianne McCutcheon**, Chief, Technical Services Division, National Library of Medicine *Digital Scientific Data as Cyberinfrastructure: An NSF Perspective* **Lucy Nowell**, Program Director, Data, Data Analysis & Visualization Office of Cyberinfrastructure, NSF
10:00am – 10:30am	AM Break Located in Chesapeake Gallery
10:30am – 12:00pm	*Preservation Environment Federation* **Reagan W. Moore** and Arcot Rajasekar National Center for Data Intensive Cyber Environments School of Information and Library Science University of North Carolina at Chapel Hill *Exploring Collaborative Models for Sustainable Governance of Digital Collections of Scientific Data* **Robert R. Downs** and Robert S. Chen Center for International Earth Science Information Network (CIESIN) Columbia University *Preserving and Sustaining Observation Data – Quirks and Trials* **Ed Grayzeck**, Head NSSDC *Moderated Discussion among Workshop Attendees*
12:00pm – 1:30pm	Lunch Located in Chesapeake III

1:30pm – 3:00pm	*Tools and Technologies* **Session Moderator:** Michael Factor, IBM Haifa Research Lab *Tools For Assessing Trusted Repositories* **Dalit Naor**, **PhD,** Shimon Agassi, Matthew Callery, Michael Factor IBM Haifa Research Lab *Preservation of Real-world Data: The Storage Perspective* **Dr. Michael Factor**, Manager, Storage Systems and Performance Management IBM Haifa Research Lab ***Moderated Panel Discussion*** **Session Moderator: Michael Factor** • Requirements for Standards and Practices to Provide Authenticity and Integrity of Data for "Long Term". • Current Steward Must be Able to Turn over the Data to the Next Steward – • Is this being accomplished? If so how, if not, when, and how.
3:00pm – 3:30pm	PM Break Chesapeake Gallery
3:30pm – 5:00pm	*The Role of Future Magnetic Tape Technology for Digital Archive, Preservation and Sustainability –* **Barry H. Schechtman**, Executive Director Emeritus Information Storage Industry Consortium *The Storage Networking Industry Association (SNIA) Standardization Efforts Related to Long-term Retention and Preservation* **Bob Roberts**, Application Matrix Mark Carlson, Sun Microsystems Simona Cohen, IBM Research *Open Discussion among Workshop Attendees*
