

Preparing the camera-ready copy (CRC) of your manuscript:

Please follow the next **5 steps carefully** to prepare your manuscript for publication. For further questions please contact us at: m.g.khatib @ utwente.nl

1. Layout:

The final paper should be submitted in PDF format no later than **April 9th**. The final version should be typeset in IEEE two-column format using 10-point font on 8.5x11 inch (U.S. letter size) pages. Please use the standard 1-inch margin. All submissions should be in PDF format.

Full papers should be no longer than 14 single-spaced pages including figures, tables, and references.

Short papers should be no longer than 6 single-spaced pages including figures, tables, and references.

All submissions must be readable in black and white. IEEE templates are available at <http://www.ieee.org/web/publications/pubservices/confpub/AuthorTools/conferenceTemplates.html>.

2. Copyright notice:

The appropriate copyright notice is to appear on the bottom of the first page of each technical paper as follows:

- a. For papers in which all authors are employed by the US government, the notice is:
U.S. Government work not protected by U.S. copyright
- b. For papers in which all authors are employed by a Crown government (UK, Canada, and Australia), the notice is:
978-1-4244-7153-9/10/\$26.00 ©2010 Crown
- c. For all other papers the notice is: 978-1-4244-7153-9/10/\$26.00 ©2010 IEEE

3. PDF eXpress:

After adding the copyright notice, as explained in point 2, please prepare an IEEE eXpress complaint pdf. In order for your CRC to be published by the IEEE, it must be verified by PDF eXpress. To prepare it follow these steps.

Please go to the IEEE PDF eXpress site at <http://www.pdf-express.org/>

1. Click on the link "New Users - Click Here" and fill in your information. You will need the Conference ID: **msst10x**
2. For each conference paper, click "Create New Title".
3. Enter identifying text for the paper (title is recommended but not required)
4. Click "Submit PDF for Checking" or "Submit Source Files for Conversion"
5. Indicate platform, source file type (if applicable), click Browse and navigate to file, and click "Upload File". You will receive online and email confirmation of successful upload
6. You will receive an email with your Checked PDF or IEEE PDF eXpress-converted PDF attached. If you submitted a PDF for Checking, the email will show if your file passed or failed.

4. CRC submission

Send us your IEEE eXpress compliant PDF no later than **April 9th**. Please quote your paper number in the subject line.

Please send the verified pdf to: m.g.khatib @ utwente.nl

5. Copyright transformation form:

Fill, sign, and fax us the copyright transformation form.

Please fax the form to +01 931-372-3436

IEEE copyright forms can be downloaded in Word and PDF formats:
